Natalina
LUZ & ENCANTO

EDIÇÃO 2026

Quando as luzes começam a iluminar as cidades e os pequenos detalhes passam a aquecer os corações, nasce a magia do Natal.

Cada fita, cor, textura e estampa desta coleção foi pensada para transformar criações em momentos especiais. Dos laços delicados às composições mais sofisticadas, reunimos tendências, clássicos natalinos e acabamentos que traduzem toda a beleza desta época tão única.

Mais do que materiais para artesanato, queremos oferecer inspiração para celebrar, emocionar e criar memórias através de cada detalhe.

Nesta coleção, o dourado reflete a luz da esperança, os vermelhos aquecem como os encontros em família e cada elemento carrega a magia que torna o Natal inesquecível.

Que a Luz & Encanto estejam presentes em cada criação, vitrine, embalagem e presente produzido com carinho nesta temporada.

Prepare-se para viver um Natal repleto de brilho, criatividade e emoção.
